Daytime Tel No

We are encouraging the main SW in Bloom entries to act as co-ordinators for the IYN in their area. This assists in arranging the assessing of your "It's your neighbourhood" especially if it is not seen on the same day as the main entry.

Britain in Bloom - South West will register your IYN entry with the RHS

South West in bloom sees It's your Neighbourhood as an important initiative in developing new projects, groups and communities either in their own right or as partners in the main town, City or village entries.

In 2018 South West we again had an excellent participation in the UK for this scheme, well done.

**Closing dates for entries
Saturday 9th March**

**You can register on line
from 7th January 2019 at
www.southwestinbloom.org.uk**

Glendale

Horticulture

Entries to **The Secretary,**
Denise James, 150 Charlton Road,
Keynsham, Bristol BS31 2JZ.

**2019 It's Your
Neighbourhood**

SOUTH WEST

**Enter this non competitive initiative
and help make the**

South West of England

a more beautiful place to live.

Britain In Bloom

The "It's your Neighbourhood" is a development from the Neighbourhood awards scheme, it is not a competitive competition, but is designed to give support and recognition to community action groups across the south West.

The criteria for assessment, as it is now known, rather than judging fits well with our entrants, and is designed to help groups develop.

IYN Assessments

Monday 1st July to Monday 29th July
It is possible to organise an earlier date if it suits you better, call the Secretary.

What is a Neighbourhood

A Group is Hands on
Involved in Community gardening./activities
From & Engaging with the Community
Benefiting the Community
Volunteer Led, Sustainable over time
Owned by Community and responsible for work
